CLASSES ELECT OFFICERS FOR YEAR

M.B.A. ADOPTS MONITOR SYSTEM

This year for the first time the students are taking a big step toward student government by means of a monitor system. The president of the student council will serve as head monitor and the others shall be composed of members of the Senior class selected by the student council and the faculty. The monitors have the power to give demerits to any boy that is misbehaving. They have almost complete control of the cafeteria and the gym and campus. They also help Miss Fontaine in the study hall.

The boys that serve as monitors have several privileges that the other boys do not enjoy. They will get a holiday each semester. They do not have to wait in line in the cafeteria, and they will have a section of the year-book for pictures of their sponsors.

The following boys have been chosen as monitors and their alternates:

Pete Thompson (President of the S. C.), Edward Blank, Al Strayhorn, Mack Brothers, Andy Coles, Hayes Cooney, Ed Holt, Sam Porter, Jimmy Gardner, Whitney Waugh, Bill Fennell, Ben Dishman, Don Chickey, John Barksdale, Norman Minick, Don Goodman.

Alternates: Ben Robbins, Joe Lucky, Jack Welch, Sam Glover, Jim Overall.

All the credit of organizing this is due to Mr. Wise and Mr. Norman, who have spent many hours preparing the outline of the monitors' duties and privileges.

Music Room In Library

The Music Room of your Nashville Public Library invites you to take advantage of its musical opportunities. It has an exceptional Klipsch High Fidelity Sound System for pleasant listening. The record collection is numerous and varied—classics, semi-classics, Broadway shows, plays, dramatic readings. These records may be checked out for a period of one week on your library card. Some of the latest acquisitions are: Stephen Vincent Benet's JOHN BROWN'S BODY; the Broadway show KISMET; a Wagner orchestral collection (especially fine for HI FI); Motion Picture Theme Music (from GONE WITH THE WIND, LOST WEEK END, SPELLBOUND, etc.).

Visit the Music Department in your Public Library and enjoy its privileges.

Cheerleaders from left to right are: Linda Christie, Jim Overall, Lou Cowan, Ann Huddleston, Jack Welch, Lissa Lutton, Harriet Husband, Harry Lawson, and Linda Lackey.

M.B.A. STARTS GLEE CLUB

On Thursday, September 30, M.B.A.'s new Glee Club was born.

Finally twenty-four boys have been accepted and practices have begun. The boys are mostly from the Junior and Senior classes with a few sophomores sprinkled in for good measure.

It is planned to practice once a week, and possibly another practice after school hours will be held as the second meeting of the group during the week.

The Glee Club will work on numbers from popular, semi-classical, and classical fields.

We hope to present programs to the school—on Thanksgiving, Christmas and other special occasions—of a religious nature. Also the Glee Club will be combined, on occasion, with the Harpeth Hall Glee Club to present programs to both schools. The boys look forward with interest to the addition of these particular soprano and alto sections.

We are eager to introduce music to M.B.A. and hope that the Glee Club will grow into a regular institution at the school and will grow in size through the years.

Directing this work will be Mrs. John K. Brest. She has been doing both radio and television work with WSM and is the Glee Club teacher-director at Harpeth Hall.

Her beautiful soprano voice has been heard by some of us as she is the soprano soloist and junior choir director of St. George's Episcopal Church.

With Mrs. Brest's guidance we are to have a fine Glee Club here.

Our New Cheerleaders

We have girls again! This cry was heard from many of the students when M.B.A. had its first pep rally to start off the football season. New this year to the cheerleading job are Linda Christie, Harriet Husband and Linda Lackey. Back from last year we have Lou Cowan, Ann Huddleston, Lissa Lutton, Jim Overall, Jack Welch and Harry Lawson. With such a fine group of boys and girls leading our yells, the spirit of the boys at M.B.A. should be very high. We of the "Bell Ringer" certainly hope so.

Jim Overall

Miss Fontaine

We are very happy to have at M.B.A. a new study hall teacher, Miss Mary Ellen Fontaine. Miss Fontaine formerly taught in schools in Louisiana, Arkansas and Tennessee. She moved back to Nashville after teaching in Louisiana and later taught for four years as the head of the art department at Middle Tennessee State College. After teaching art she did primary work and taught reading for children from the first to fourth grades. Miss Fontaine is a member of the Association for Childhood Education. She served as president of the Davidson County division of this for two years and also the secretary of the State for three years and also served on the National Committee. Miss Fontaine is a member of the Delta Kappa Gamma, a sorority composed of teachers elected because of their outstanding work.

Billy Graham Crusade

The Billy Graham Crusade held at the Vanderbilt Stadium for a full month this summer swept Nashville to new heights in spiritual enthusiasm. Each night thousands entered the stands and looked out upon a field where many football classics had been held. This time instead of cheering, the crowd sang gospel hymns. In the place of cheerleaders stood Cliff Barrows, who led the singing.

Billy Graham, the evangelist, was a very forceful speaker, and from the very first he captured the interest of the increasing numbers. The stadium was filled on numerous occasions by men, women and children seeking the word of God from Dr. Graham. The largest crowds came during the final week when on several occasions the attendance swelled to over forty thousand people. On the closing night the crowd, the largest one in the history of Tennessee ever gathered in one place at one time, rose to over sixty-five thousand.

Many M.B.A. boys were among the hundreds who made the decision. The Crusade made a great impression on Nashville. The churches have been strengthened by the renewed interest of many members and also the interest of many who had never been to church before. We pray that its influence may be lasting.

Holt Heads Senior Class

One of the most important events of the entire school year took place this past month when the class officers were elected. The coveted honor of Senior class president went to Eddie Holt. Mack Brothers was elected Vice-President, and Jack Herbert was chosen Secretary-Treasurer.

The Senior representatives on the Honor Council are Al Strayhorn, Hayes Cooney, John Teas, and Jimmy Gardner. Pete Thompson and Bill Bradford are on the Student Council.

The Junior class elected the following officers: Pres.—Henry Hurt, Vice-Pres.—Mac Rolfe, Sec.—Tommy Frist; Honor Council—Philip Boyd, Frank Burkholder and Frankie Drowota; Student Council—Phil Williams and Ivan Brown.

The Sophomore officers are: Pres.—Brad Reed, Vice-Pres.—Emmett Dozier, Sec.—Don Brothers; Honor Council—Rollin Lasseter and John Brothers; Student Council—Courtney Marshall and Russell Hooper.

When this paper went to press the Freshmen had not yet finished their elections.

In the Junior school Bobby Raiford is President, Lucius Burch is Vice-President, Tom Stephens is Secretary-Treasurer, and Guy McCellan is Honor Council representative.

We give these boys our heartfelt congratulations for achieving their respective positions.

School Improvements

As we all noticed on arrival at school this year, many things have been redone or redecorated. The first things to come to our attention were the refinished and gleaming floors of the hall, library, and honor room. As our gaze travels upward, we see that the walls of the hall and honor room have been redecorated.

After a day or so we saw the repainted locker room, and we either saw or heard about the new pipeline out to the football field, to keep it watered. This was paid for by the Men's Club. Of course there is the recently sodded practice field which is a great help to the team.

We all saw the new water fountains installed and have used them a lot. One of these given by last year's Senior Class and the Key Club. The other two were given by the Men's Club and they are really appreciated these hot days.

Then there is the screening on the reserved section which was recently put up to keep these seats for the M.B.A. fans. No one who pays for a reserved seat wants to find someone else occupying it.

All these improvements have helped to make M.B.A. a prettier and nicer place to attend.

Grade School News

Well, here we are back on the hill. As usual the seventh grade has a new crop of boys. They are Alex Adams—Julia Green, Beet Carleton—Smyrna, Larry Davis—Eakin, Billy Gambill—Parmer, Willie Harrison—Tusculum, Collier Jewel—Ransom, Bill King—Smyrna, Ronnie Lexington—Ransom, Jimmy Pickel—Ransom, Alex Porter—Julia Green, Bill Steber—Glendale, Dale Sullivan—Stokes, Mike Weesner—Ransom, and Jeff Williams—Glendale. The same old ones are in the eighth grade.

Alex Adams started off the year right with the first demerit of the seventh grade, and from reports he's headed toward the championship. The eighth grade boys are running about neck and neck.

There have been the usual tests and the usual grades, 0—25—50—53—84 and some 100's.

The first meeting of both classes was held and elected Bobby Raiford President, Lucius Burch, Vice-President, Tom Stephens, Secretary and Treasurer, and Guy McClellan, Jr. School honor council member. Thus, the eighth grade took an overwhelming majority.

A large percent of the junior school went out for Microbe football, about 28 boys went out.

As always the boys went to the fair. Some boys got straw hats, others cigarette lighters, and some got, well, anyway. I wonder if there are any cigarettes to go with the lighters, hummm? Remember you boys are training for football. There was also the usual bragging as to how many coke bottles I could knock over, how many teddy bears I won, and how I wasn't scared to ride this, that, and the other. Wonder what else happened?

Some people came out on top after the first three weeks and

got on the privilege list. They are from the seventh grade, Bert Carlton, Larry Davis, Willie Harrison, Jimmy Killebrew, Bill King, and Jeff Williams, and from the eighth grade are: Frankie Crowell, Bobby Raiford, Tom Stephens, Warner Bass, Guy McClelland and Tommy Sloan.

Steve Garrett now has a black pair of pants. He spilled a bottle of permanent jet black ink on a pair of tan khaki pants.

The seventh and eighth grade is just about settled down for another term—I mean year—at M.B.A. So long.

Freshmen News

The Junior Varsity started practice several weeks ago. They had their first game with West. The game was played at West right after school was over. The score was 33 to 0, M.B.A.'s favor.

Mr. Winstead was wearing shoes which squeaked quite a bit at the first of school. Mr. Winstead's comment, "They have to be broken in some time!"

It seems that some of the Freshmen have been acting up in study hall. Bill Blevins tries to put his arm around Miss Fontaine. Miss Fontaine gives Blevins disgusted looks along with five demerits.

Mrs. Sims recently stated that all the Freshmen who got demerits would have to talk to her about them. Boy will she have her hands full!

Jerry Bradley comes back to school with tales of the Fair. Tell the boys about "The Blonde Bombshell," Jerry!

Tony Edwards takes Sally Cheshire to the Clarksville-MBA game. Tony's comment, "Her family and my family are old friends."

Edgar Uden

Sophomore News

School starts with a bang! Woody Bailey is heard whistling "Rock a-Bye Baby." Runcie Clements announces he will try for the mile record if all three cylinders are working. Murphree registers at West after having his nose adjusted in game.

Lights burn bright at the Fairgrounds once more. Blonde Bombshell bombs Beard. Goober goes up Ferris Wheel. Elam's white bear turns brown. MBA students come home broke.

"The Night Has a Thousand Eyes" adopted as school anthem. George Sloan's algebra average drops to ninety-nine. Everyone mourns. Coochie Marshall finds a new use for his nose. Wylie McDougall flexes to impress Pat. Don Brothers breaks finger. Was it playing football or . . . ? Jim Thurman looks forward to track on account of trip to Atlanta. Anybody seen a doorknob lying around?

The Sophomores doing a fine job on the varsity are: John Murphree, Tom Husband, Billy Hunter and Jim Thurman.

That's all for now. See you next time.

Brad Reed

Junior News

Here we are back on the Hill as initiates of the junior class begrudgingly return from their summer pastimes. E. G. Smith on tour—barnstorms the tennis world. Travis hits lucky streak. Now "The Pup" is under new ownership. Martin applies for summer job at WSOK. Watson spent the summer gathering material for his new book, "Tour Guide of East Nashville." South American gorillas have reunion with distant cousin, B. Smith. "Handsome" Burkholder brings back a T-shirt for his trophy case as evidence there are girls in Florida. If you haven't heard it, get Morehead to give you his greatest sports thrill. McLean spends summer in Trenton.

Rachard, Seawell combine thrill women at Fair. Rolfe wins a blue ribbon at horse show. Hurt wins teddy bear—mobbed by women. Overton a mate in "Zola" at the Fair.

Juniors are the backbone of the varsity! As Rolfe, Burkholder, Friest, Williams, Morehead, Drowota, Sobel, Watson, R. Brothers, Ivin Brown, Hurt.

Williams and Sawyer reconcile after a "very short separation." Watson treats a local sports writer to refreshments. Jimmy Davy now eats meals at the Hurt household.

By the way, have you noticed that since Willie has left, M.B.A. has lost its "spirits."

Tommy Friest

Senior News

Greetings, here I am again with some more dope on the dopes. School opens and immediately seniors start to work on senior room . . . pool tables have already been ordered. Seniors want more privileges . . . MBA starts glee

club. Scholastically, we are doing about as well as can be expected of normal blueblooded boys; some of us are making good grades and then there is the majority. Cummins heads Mutual Admiration Society. 99 on solid test ruined Davis 100 average. MBA run by students as seniors are appointed monitors. Lucky gets demerit for saying "Si" in Spanish class. Goodman changes to Kools as present brand causes throat irritation. Mrs. B. says McDaniel has enough to take care of if he just takes care of himself. Si. Miss Fontaine heavily greeted by MBA students. Teachers ask what else is there to do at the fair except go on rides. Hunt, Holt, and Robbins enter "rods" in stock car races. That's all for now; I hate to go but I really should study. See you in several decades when the next issue comes out.

Editor's note: Anything about anybody in above senior news is the exact truth and should be regarded with seriousness.

Council For The Unlearned

By Mrs. Jean Gruce

Scale Tipper

Dear Mrs. Gruce: My problem is overweight. Being a bit on the heavy side, I find that it is hard to reduce. What should I do.

BOTHERED B. BALL

Be careful about what you eat, and try rolling, some say it's helpful.

Lovesick

Dear Mrs. Gruce: I am a young girl madly in love with an M.B.A. senior. I feel that he cares for me and is just afraid to show it. How can I tell him of my desire without being thought forward?

MOONING MAN-BAIT

Be careful what you say for it just might get into someone's gossip column. But my advice on your problem is to try sending love notes, that is, if he can read with those thick windshields.

Problem

Dear Mrs. Gruce: I am a freshman, who doesn't understand teachers. For instance, Mr. Norman tells us to feel at home, but when I called him Doug, he gave me five.

FLUSTERED FROSH

Don't feel too badly. Remember, he was in the Air Force and he is inclined to fly off occasionally.

Hairy

Dear Mrs. Gruce: My date doesn't like for me to shave. Whenever I do, she says it makes me look less manly, but when I don't, I feel a bit dirty. I have a hard time of it, don't you think?

BRISTLES BRETHREN

Obviously you have not kissed her much yet, or she would definitely want you to shave. Try this a few times and she will soon ask you to.

Poker

Dear Mrs. Gruce: How can my uh-friend have plastic surgery done without spoiling the rest of his looks? It's his nose that causes the trouble. Everytime we kiss, it pokes me in the eye. How can it be shortened?

BRUISED BEAUTY

I am not qualified to give medical advice.

Cherubs, do you have problems? Maybe I can help you.

Remember, address your letters to me in care of Central State Hospital, Ward 1000, Padded cell 4.

Bottom of the Afternoon

By Blue La Rue

Greetings, cats of the campus. This is the column where you get all the inside track on all the cats and it is written by the original Frenchman, Blue La Rue (dig that crazy French name).

When the fair pulls out of town, Minnick and Goodman leave for next dancing appearance, accompanied by Bill Morehead and Jack Butler on the congo drums.

Seen selling balloons at the gate was Andy Coles! At the side show were many interesting sights: the nose that grows like a potato, the human searchlight, Dantro the spaceman, the man who was nowhere, and the elastic man. Smoke engulfs the fair. Don Chickey is seen walking around. Mr. Rule doesn't go to the fair, quotes, "I've seen them all!" Police break up illegal mooching ring. Mack Brothers is missing from school. Ivan Brown applies to U. S. patent bureau for special trademark.

Attention !!! Students clamor for new gym as George Washington's boot is found in locker!

That's all for this crazy mixed up issue. See you next time you gone guys.

BIG RED ROLLS OVER EAST

Rolfe runs ball behind blockers Brothers, No. 56 and Minnick, No. 58 in West game.

M.B.A. MAULS WEST 46-0

"Remember last year!" With this cry ringing in their ears the M.B.A. Maroons soundly trounced the West High Blue Jays 46 to 0 on Sept. 17 at the West Stadium. After displaying their fine skill on defense by stopping a West drive cold on M.B.A.'s own 24 yard line, the Big Red team scored their first tally with Jack Herbert making a brilliant run of 47 yards. From then on it was all M.B.A. with Herbert, Pete Thompson, Mack Rolfe, Whitney Waugh, Whit Watson, Bill Fennel and Frankie Drowota each scoring one of the Maroons' seven touchdowns. The defense showed up remarkably well by holding the Blue Jays to a meager 85 yards rushing, while our offense racked up 265 yards rushing. The reserves did as well as the regulars by holding the West team to small yardage while scoring two touchdowns themselves. Everybody on the M.B.A. team got to play. Jack Herbert, Pete Thompson, Henry Hurt and Frank Burkholder received well earned honors by being placed on the All-City class AAA checklist. Mack Rolfe, Norm Minnick and Tom Frist should be given credit for the fine games they played. In fact, a great deal of credit should be given to the entire team and coach for giving us a very satisfying victory over our arch rivals, the West High Blue Jays.

MICROBES LOSE TWO

The Microbe team has begun practice again with Mr. Wise at the helm. Also helping him are Mr. Norman and Don Chickey.

The Microbes expect to do better than last year as they won only one game.

They have many capable men from the seventh and eighth grades who go to form a good team. They have a good line and a fast backfield with Lee Burch at quarter, Bobby Raiford and Tom Stephens at the halfback spots, and Dickie Husband at full.

The "Little Red" played their first game against Burton and lost a heartbreaker—9 to 6. Bobbie Raiford played a good game, after not being at school until late because he had a temperature of 102. He went over for the only Red touchdown.

The second "Little Red" game was against Stokes and again losing 13 to 0, but to a tough team. Besides the two touchdowns they looked good on defense being only 7 points behind at the half. This was the best defensive game played yet by the Microbes. With a little more practice they ought to be able to meet and beat any of the coming opponents, which are: Woodmont, Parmer, Robertson Academy and Julia Greene, and possibly another school. They are looking forward to a good season.

Wins First Game Easily 39-0

The Big Red of Montgomery Bell Academy set their season off to a good start on Friday, Sept. 10, by walloping the Grey Eagles of East High, 39-0 at Frank Andrews field. Jack Herbert and Pete Thompson spearheaded the Maroon's offense while Billy Smith was outstanding in this field for East.

Herbert, the NIL 100-yd. dash champion last Spring, ran 70 yards for his first touchdown and dashed 93 yards 12 minutes later for his second. In the seven other times he ran the ball, he picked up another 100 yards. His 263 yards and 29.2 yard average is unequalled in the NIL.

Pete Thompson, the other Big Red powerhouse, supported Herbert with 96 yards in 10 tries, making his average 9.6 yards per try. In the third quarter Thompson scurried 58 yards down the sidelines over the goal but the run was nullified by a penalty.

M.B.A.'s third TD, after both of Herbert's long runs, came when Whit Watson fired to Henry Hurt who flipped the ball to Mack Rolfe to score, thus ending the first half with the Big Red at a 19-0 advantage.

In the third quarter M.B.A. marched 68 yards for the fourth TD, climaxed by Whit Watson's plunge over the goal from the one. No. 5 came when Tom Herbert pounced on Jerry Vanderburg's fumble in the end zone. Frankie Drowota accounted for the sixth touchdown when he crossed from the one.

East was very close three times, being on M.B.A.'s 10, 9, and 4 yard lines, but the Eagles could never quite make it.

Defensively, Norm Minick, Billy Morehead, and Whitney Waugh did a good job for the Maroons while Ramrod Hilton looked good for East.

FALL TENNIS

The Big Red is looking forward to another great year in tennis. The boys are just as enthusiastic about the sport as they were last year when they won their tenth consecutive city championship.

Mr. J. C. Rule, tennis coach, announced in assembly that all boys who were interested in going out for Fall tennis were to see him after school. He was swamped by 22 players, seven of whom won letters last year. He hopes to have his team play several Fall matches.
